What will I learn?

1. Students will learn about art movements and periods throughout art history. Each of the 5 sessions will focus on a different artistic period (Impressionism, Pointalism, Fauvism, Pop Art, & Abstract) and artists that worked in those styles.
2. Each class will begin with instruction and discussion. Students will be encouraged to take simple notes and sketch/draw in their journals.
3. Students will then be given an acrylic painting assignment/project that focuses on the style or period of the day. Each student will be encouraged to use their own creativity. While some projects will be similar in the techniques taught or the still life arrangement, most will be completely open to the child's interpretation.
4. Students will be encouraged to sketch & draw in their journals for "homework."
5. An Art Exhibit will be held on the last session (from 12:30—1:00) to showcase all the students hard work and progress. Parents, siblings, grandparents and others are invited to attend.

What do I need?

1. Comfortable clothes that you do not mind getting dirty or ruined.
2. A smock or paint shirt (with your name on it) that you can wear over your clothes. Your smock can be left here until the end of your session.
3. A water bottle with your name on it.
