	<b>Mon., July 30</b>	<b>12:30 - 2:30</b> - send a drink
	<b>Mon., July 30</b>	<b>2:30 - 3:00 Art and Music Show</b>

*Note: parents, siblings, grandparents and friends are welcome to join in the festivities!*

#### What will I learn?

1. Students will learn about different cultures by creating musical instruments (that work) using recycled materials (wrapping paper tubes, yogurt cups, carpet tubes) plus other materials. Students will use various techniques (paper mache, paint, glue) to make: **Australian Didgeridoo, Latin American Maracas, Chilean Rain Stick, African Doumbek (drum), Native American Talking Stick.**
2. Each class will begin with instruction and discussion. Since projects require multiple steps and drying time, projects will be worked on simultaneously and will not be completed until the end of the program.
3. Students will be directed step-by-step on each project, however each student will be encouraged to use their own creativity with color and design selections.
4. Students will be encouraged to share their handouts at home.
5. An Art Exhibit will be held on the last session (from 2:30 -3:00) to showcase all the students' hard work and progress. Parents, siblings, grandparents and others are invited to attend.

#### What do I need?

1. Comfortable clothes that you do not mind getting dirty or ruined.
2. A smock or paint shirt (with your name on it) that you can wear over your clothes. Your smock can be left here until the last day of your session.
3. A water bottle. A bagged lunch with your name on it (ONLY, if you are attending BOTH sessions).
